SUMMARY

7+ years at AIA Vietnam, progressing from C&B operations into People Advisory, HR Analytics, HRIS, and HR Governance. I own the Workday platform end-to-end and led the LBU-level delivery of AI-powered HR Copilot agents (Query and Data Management) - from knowledge-base curation and quality assurance through to beta launch and company-wide rollout - alongside building HR digital tools, Power Platform automation, and Power BI dashboards

KEY SKILLS

- **Systems & Tools:** Workday HCM (Report Writer, Case Management), HRIS administration, Employee lifecycle management, Power BI, Power Apps, Power Automate, Microsoft Copilot Studio
- **People Operations:** HR governance & risk management, Compensation & Benefits, Labor contracts, **Policy design**, Change communication, Employee relations advisory, Compliance
- **AI & Analytics:** HR data analytics, Prompting & research, Copilot Studio (chatbot design)

PROFESSIONAL EXPERIENCE

AIA Vietnam

HRIS & HR Governance, Consultant

03/2025 – Present

HRIS & HR Governance, Specialist

08/2024 – 02/2025

- Core AI / HR Copilot delivery:
 - Led the HR Copilot (Query Agent) rollout at LBU level, owning the full delivery cycle: knowledge-base article review and update, golden test-case execution, quality assurance across accuracy, connectedness, and formatting, through to beta launch and a company-wide employee communication campaign.
 - Drove the HR Copilot Data Management Agent (DMA) at LBU level, enabling employees to update personal data through an AI-guided chat flow, reducing manual HR touchpoints and improving data self-service.
- Lead HR system digital transformation and local initiatives, improving employee journey across the lifecycle.
- Advise on HR governance and policy, ensuring alignment with internal compliance standards and Group HR frameworks.
- Act as key contact point for internal audits (ad hoc) to plan, execute, and mitigate risk across all HR processes; recruitment and HR compliance audits in 2025 delivered green results.
- Policy & Process: Develop, revise, and implement HR policies; act as policy owner for key policies such as Internal Labor Regulations, Recognition etc. Serve as HR governance advisor, collaborating with local HR CoE to review, align, and maintain compliance across all HR policies.
- Built & shipped HR digital tools:
 - Peer Recognition App, Employee of the Quarter Voting Platform, HR Comms Engine, Workflow Automation;
 - Re-engineered outsourcing management from a manual process into a centralized Power Platform solution — integrating SharePoint Lists, Power Apps, and Power Automate — to streamline tracking, approvals, and record-keeping.
- **Achievements:**
 - Strengthened HR governance and risk mitigation across all employee processes; delivered measurable audit outcomes.
 - Recognized as Employee of the Quarter (Q4 2024, Q2/2026).
 - 1st Prize, Company-level Innovation Showcase (Q2/2026)

People Advisory, HRIS & Benefits Specialist

10/2020 – 06/2023

- Workday Reporting & Analytics: Managed dashboards, customized reports, and key HR metrics (headcount, turnover, other analytics) to support data-driven decisions.
- Benefits Management: Oversaw core benefits and flexible benefits (FlexA) programs, including medical insurance, pension, loans, staff discounts, and FlexA enhancements.
- Employee Lifecycle & People Advisory: Managed Workday updates across all employee lifecycle events (hiring, promotions, transfers, contract updates), responded to HR inquiries via case management, and provided guidance on HR policies.
- System & Process Improvement: Improved HR workflows and ensured HR data integrity and compliance.
- **Achievements:** *Delivered accurate and timely HR reports; improved administration and employee engagement in core and FlexA benefits programs; enhanced Workday reporting accuracy. Recognized as Employee of the Quarter (Q3 2022).*

HR Executive (C&B Management & Operations)

10/2018 – 10/2020

- Managed labor contracts, flexible benefits systems, and core benefits operations.
- Led communication projects: Benefits Communication, Career Pass-Card, Workday Launch & Enhancement, FlexA system.
- Supported payroll management for outsourced staff and ensured accurate administrative processes.

Mservice (MoMo) Vietnam

11/2023 – 03/2024

Associate Team Lead, Learning & Org Development

- Implemented employee engagement surveys following the Gallup Model; generated detailed reports and insights.
- Reported on goal setting and year-end review progress; designed communication materials for performance reviews.

Outlier, Part-time (Remote)

03/2024 – 09/2024

- Worked on Vietnamese writing projects to train generative AI models; ranked AI-generated responses and wrote short stories based on given topics.
- Assessed factual accuracy of AI outputs to improve model quality.
- **Skills gained:** *Enhanced prompting skills, research, analytics.*
